

HP Chromebook x360 14 G1

Get a device engineered for the modern workforce with the versatile HP Chromebook x360 14 G1, our first Chromebook™ to support up to an Intel® Core™ i7 processor.¹ Be a productivity powerhouse with the fast, simple, and secure Chrome OS™, Android™ apps², and full HD 14" diagonal touchscreen.

Designed to dazzle, however and wherever you work

Set a new style standard with the beautiful silhouette of a silver, 16 mm thin Chromebook™ with an aluminum cover and keyboard deck, diamond-cut touchpad, and narrow-bezel touchscreen display. Work easily in low light with the backlit keyboard.

Find your sweet spot

Adapt to any setting, project or presentation with a 360° hinge that flips and folds the Chromebook™ into notebook, stand, tent, and tablet modes so you can type, touch, and capture to your heart's content.

Master multi-tasking, meetings, and e-mails

Power through every task with the boost of an 8th Gen Intel® processor¹ and up to 13 hours battery life.³ Open and view more apps at one time on the narrow-bezel screen with up to 64 GB storage and 16 GB memory. Streamline connectivity with USB-C™.

- Work without worry on the secure and low-maintenance Chrome OS™, which has multi-layered safeguards, continuous automatic updates, virus protection, sandboxing, encryption, and verified boot.⁴
- Access G Suite and Android™ productivity apps from the Google Play Store on a Chromebook™ built for the enterprise, optimized for flexibility, and delivering a familiar touchscreen experience.²
- Charge up your Chromebook™ and USB-C™ accessories with two USB-C™ ports. Expand to an optional HP USB-C™ dock to add an external display, connect to a wired network, and access USB-A accessories.⁵
- Make the most of your media and virtual meetings with powerful Audio by B&O PLAY and an integrated front-facing Full HD webcam.
- Breathe easy with an IT investment that is supported by a one-year standard limited warranty. To extend your protection, select an optional HP Care service.⁶

With high-quality remote assistance or convenient onsite support available the next business day, help is there when you need it—so you can get back to work.

Product number: U9DQ0E

Messaging Footnotes

¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

² Internet access required and sold separately. Some apps may require purchase.

³ Battery testing is pending and will be conducted by HP using Google Chrome OS power LoadTest. Battery life will vary and the maximum capacity of the battery will naturally decrease with time and usage. See <http://www.chromium.org/chromium-os/testing/power-testing> for test details.

⁴ Sold separately. License required.

⁵ Sold separately. See product QuickSpecs for compatible HP docks.

⁶ Sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

² Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.

³ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.

⁴ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

⁵ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.

⁶ Google Drive offer is tied to this device and is non-transferable. If this device is returned, the extra storage will be revoked. In order to redeem this offer, you will need to be on Chrome OS™ 23 or later. Internet access is required and not included. Additional information about storage plan refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/chromebook/answer/2703646?hl=en>

⁷ HD content required to view HD images.

⁸ Resolutions are dependent upon monitor capability, and resolution and color depth settings.

⁹ HP Classroom Manager is sold separately. Control and device locking from the teacher's desktop requires purchase of HP Classroom Manager.

¹⁰ Lock must be purchased separately.

¹¹ Testing conducted by HP using Google Chrome OS power_LoadTest. Battery life will vary and the maximum capacity of the battery will naturally decrease with time and usage. See <http://www.chromium.org/chromium-os/testing/power-testing> for test details.

¹² HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

¹³ EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options.

¹⁴ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

¹⁵ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
