

Executive Biography

Tuan A. Tran

General Manager & Global Head,
Office Printing Solutions
HP Inc.

Tuan Tran is the General Manager and Global Head of the Office Printing Solutions (OPS) global business unit within HP's Imaging, Printing and Solutions group—an organization focused on enabling the best printing solutions for SMB, enterprise, and public sector customers. In this role, Tuan is responsible for LaserJet and PageWide technologies addressing both transactional and contractual customers. OPS differentiates by offering the most secured printing solutions, leading managed services, and comprehensive A4 and A3 portfolios to win in the \$100 billion global printing market.

Previously, Tuan was the General Manager and Global Head for the LaserJet and Enterprise Solutions business. Tuan was responsible for reinvigorating HP's LaserJet portfolio with JetIntelligence technology and connectivity, while reducing costs and creating products that reinvented the LaserJet business for the next decade.

Tuan has held numerous senior management positions within HP's Printing business, including Vice President and General Manager of the LaserJet Hardware and Technology Organization. Previously, Tuan served as Vice President of Consumer Inkjet business and the PPS India Hub. Other notable leadership positions include leading the Media Supplies and Solutions Organization, the WW marketing for the Imaging and Printing Supplies business, and the WW marketing for Imaging and Printing Consumer business.

Tuan joined HP in 1991 and has held a variety of marketing, finance and operations positions in the Consumer Business Organization, Mobile Computing Division and the Business Printing Division in Singapore. As one of the original members of the Mobile Computing team, he was instrumental in building a successful notebook business for HP.

Tuan holds bachelor's degrees from both the University of Wisconsin-Madison and the University of Oregon. He also holds a master's degree in business administration in marketing, finance, and operations from the University of Oregon.

Tuan is based in Vancouver, Washington.
