# HP ProBook 455R G6 Notebook PC

Full-featured, thin, and light, the HP ProBook 455R lets professionals stay productive in the office and on the go. Stylish design plus optional quad-core[2] performance and long battery life make this HP ProBook essential for today's workforce.

HP recommends Windows 10 Pro.

### Affordable and stylish ultraslim design
The HP ProBook 455R delivers stylish design to every business. An ultraslim chassis with crisp lines, clean edges, and a refined natural silver finish holds the near borderless display that opens 180°, making it easy to share content.

### Security, durability, connectivity
Your growing business requires a PC with business-class features. The secure HP ProBook 455R is enhanced with a range of security features and built with a durable chassis and connectivity options that can be specifically tailored to your needs.

### Powerful processing
Get through your deadline-driven, multi-tasking day using the HP ProBook 455R, available with the optional advanced 2nd Gen AMD Ryzen™ quad-core processor[2,3] and long battery life.

- Be productive in any situation. Experience the new features of Windows 10 Pro on the thin and light HP ProBook 455R.[1]
- The HP ProBook 455R delivers design, quality, and durability to every business. An ultraslim chassis in a refined, new, natural silver finish includes a 3D forged aluminum keyboard deck and durable stamped aluminum top cover.
- Keep productivity high and downtime low with HP BIOSphere Gen4 firmware-level automation. Your PCs have extra protection thanks to automatic updates and security checks.[4]
- Fortify your security by using multiple factors of authentication including fingerprints and facial recognition.[5]
- Get the best of both worlds with dual solid-state and hard drive storage options from HP.[5,6]
- Stay connected with HP Connection Optimizer self-healing wireless driver technology.[7]
- Quickly transition to your desk on the HP ProBook 455R with support for one cable docking via a USB-C™ data connection to optional docks.[5]
- Work and play with long battery life and recharge up to 50% battery life in just 30 minutes with HP Fast Charge.[8]
- Stand up to the workload with an HP ProBook 455R that is designed to pass MIL-STD 810G testing.[9]

HP recommends Windows 10 Pro.

HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc.[34] |

# HP ProBook 455R G6 Notebook PC

## Accessories and services (not included)

**HP 65W USB-C Power Adapter**

Power and charge your notebook or tablet[1] from its USB-C™ port with the HP 65W USB-C™ Power Adapter.
**Product number: 1HE08AA**

**HP USB-C Universal Dock**

Transform your HP notebook or tablet into a complete desktop experience with the HP USB-C Universal Dock, which delivers USB-C™ charging[1] and connections for your network, dual 4K displays, and accessories with one cable connection.
**Product number: 1MK33AA**

**HP Essential Top Load Case**

The HP Essential Top Load Case is a light and durable notebook carrying case that includes high-density foam cushioning to protect your notebook (up to 15.6 diagonal inches.) while traveling between meetings or in and out of the office.
**Product number: H2W17AA**

**HP USB Essential Keyboard and Mouse**

The HP USB Essential Keyboard/Mouse Bundle is designed to help you customize your desktop work space when you park your notebook at the office.
**Product number: H6L29AA**

**HP Keyed Cable Lock 10 mm**

Help keep your notebook safe in the office and high-traffic areas by tethering it to a secure surface with the HP Master Keyed Cable Lock 10mm, designed specifically for ultra-thin profile notebooks.
**Product number: T1A62AA**

## Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

[2] Quad-core processor is an optional feature.

[3] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[5] Sold separately or as an optional feature.

[4] Available on HP Elite and Pro platforms with 8th Gen Intel or AMD Ryzen™ processors. Features may vary by platform and configuration.

[6] Storage capacity varies based on type of media and recording format.

[7] Wireless and Bluetooth™ may be optional features. Wireless requires separately purchased access point and internet service. Availability of public wireless access points limited.

[8] Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.

[9] HP Total Test Process testing is not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

## Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com/.

[2] Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see https://aka.ms/ProEducation for Windows 10 Pro Education feature information.

[3] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[4] Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.

[5] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.

[6] In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://www.support.hp.com.

[7] Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.

[8] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

[9] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.

[10] The term "10/100/1000" or "Gigabit" Ethernet indicates compatibility with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.

[11] HD content required to view HD images.

[12] Backlit keyboard is an optional feature.

[13] Sold separately or as an optional feature.

[14] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[15] HP Support Assistant requires Windows and Internet access.

[16] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.

[18] HP Driver Packs not preinstalled, however available for download at http://www.hp.com/go/clientmanagement.

[20] HP Manageability Integration Kit can be downloaded from http://www8.hp.com/us/en/ads/clientmanagement/overview.html

[21] Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: http://www.absolute.com/company/legal/agreements/ computrace-agreement. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

[22] HP BIOSphere Gen4 requires Intel® or AMD 8th Gen processors. Features may vary depending on the platform and configurations.

[24] HP Drive Lock & Automatic Drive Lock is not supported on NVMe drives.

[25] HP Fingerprint Sensor sold separately or as an optional feature.

[26] HP Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 "Clear" sanitation method.

[27] HP Password Manager requires Internet Explorer or Chrome or FireFox. Some websites and applications may not be supported. User may need to enable or allow the add-on / extension in the internet browser.

[28] Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).

[29] HP Client Security Suite Gen 4 requires Windows and Intel® or AMD 7th or 8th generation processors.

[31] Windows Defender Opt In, Windows 10, and internet connection required for updates.

[32] Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

[33] Availability may vary by country.

[34] HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

[35] EPEAT® registered where applicable. EPEAT registration varies by country. See http://www.epeat.net for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options.

[36] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
