# Ng Tian-Chong

President  
Asia Pacific and Japan

---

Ng Tian-Chong (TC), President, Asia Pacific and Japan, is responsible for HP's business in the region, including Go-To-Market strategy, sales and marketing across PCs, Printers, Digital Press, 3D Printing and Managed Services for both commercial and consumer segments.

Prior to his current role, TC was General Manager for HP's Printing Business in Asia Pacific and Japan. In this role, he was accountable for overall business excellence and growth across the printing portfolio and for building and leading a high-performance team.

With nearly 30 years' experience at HP, TC has held key roles in sales, finance, service and support as well as marketing, spanning consumer, channel, country, and regional portfolios.

His other roles have included leadership of HP's Personal Systems Group business in the high-growth South East Asian, Taiwanese and Korean markets, responsibility for HP's Commercial Volume Sales business in APJ, and leadership of the APJ Solution Partners Organization where he built HP into a best-in-class channel player in the region.

TC holds a Bachelor of Science in International Business from Menlo College in California and a Masters in Business Administration from Haas School of Business, University of California at Berkeley.
