Forest First printing with HP+

Printing can be more sustainable than you think, thanks to HP's bold vision to protect the world's forests through responsible consumption and forest management.

Protecting forests

With the Forest First print initiative, HP invests in protection, restoration, and improvement of forests, in line with the number of pages printed by our customers.

Doing what's right

HP has partnered with NGOs, recognized leaders in forest science, to take meaningful action toward our vision for sustainable printing.⁸
